The screenshot shows a computer screen with two windows. The foreground window is a Telnet client titled "Telnet 1 -- dxc.ve7cc.net". It has a menu bar with "File", "Edit", "Format", "Tools", "Window", and "Help". Below the menu bar is a toolbar with icons for file operations and a "Check in QSL" button. The main area of the Telnet window is divided into two sections. The top section has a "Pkt" button and a text area. The bottom section has a "Word" button and a text area. The bottom section also has a "Opt" button and a text area. The bottom section has a "Setup" button and a "Local echo" checkbox. The bottom section has a "Capture" button and a "Local echo" checkbox. The bottom section has a "Local echo" checkbox. The background window is a spreadsheet with columns labeled "QSL rcv", "LoTW R", "Name", "LoTW S", and "Bjo". The "Name" column contains the name "Daniel".
